The villa is tastefully presented, combining traditional Andalusian charm with modern touches. Light-filled and airy, every detail has been carefully considered.

A spacious conservatory runs along the front of the house, currently used as a relaxing chill-out area — the perfect spot to soak in the sweeping valley views. This space could also be used as a dining room. At the heart of the home is a cozy lounge featuring a traditional fireplace for those cooler winter evenings. The open-plan kitchen connects seamlessly to the living area and also leads to a second conservatory on the side of the house.

The property includes three double bedrooms, with the master benefiting from an en-suite bathroom. There are two additional bathrooms, plus a study that could serve as a fourth bedroom, conveniently located near the side conservatory.
