

Complot résidentiel à vendre à Calahonda, Mijas

1 050 000 €

Référence: R5048146 Terrain: 2 021m² Construite: 874m²

Costa del Sol, Calahonda

Plot available in Calahonda to build 9 apartments. The plot actually has 2,500 m² of land, but a portion must be given up for widening the road, so the final area can be used for 2,021 m². The maximum roof area you can build is 874 m², but in the project, you can see that 1,250 m² is actually built, as there are areas such as a solarium, storage rooms, parking spaces that are not included, and terraces that are included at 50%. The plot has an Endesa connection point and water. (IMPORTANT). The terms and conditions for creating the compensation board and beginning development work have already been published.
