## Costa del Sol, Mijas Costa

This is an amazing, must see house for sale in the exclusive area of Buenavista located between Higueron (Benalmadena) and Mijas Pueblo. What we really like about this property are the panoramic coastal views, the high quality fittings, and the large amount of outdoor space that really allows one to enjoy outdoor living. Starting on the lowest level there is a private lockable garage, and a separate entrance hall with stairs leading up to the first level. On the first level the property has a back garden terrace area, a decking area with a bbq on the side and a front terrace with a dining table and fantastic views. Inside on this level we have a very large living room and a good sized open plan kitchen plus a recently renovated guest toilet. The views on this level are already amazing. On the next level there are three bedrooms and two bathrooms, another sunny terrace with amazing views and a staircase leading upto a solarium. This house has been totally refurbished to a very high standard with lots of extras like completely new modern bathrooms, new windows with electric blinds, new doors, decking on all of the terraces plus much more.
