

Bostadsplan till salu i New Golden Mile, Estepona

690 000 €

Referens: R5078896 Komplott: 471m²

Costa del Sol, New Golden Mile

Residential Plot for Sale with Panoramic Golf Views at El Campanario Golf This exceptional 471 m² residential plot offers stunning panoramic views over El Campanario Golf Course, providing the perfect backdrop to build your dream home. Situated in a peaceful and prestigious golf community, the plot comes with full planning permission already granted, allowing you to start construction without delay. The generous plot size of 471 m² gives ample space for a bespoke villa with outdoor living areas, gardens, and a private pool. Located just minutes from beaches, restaurants, and Marbella, this property combines tranquility with excellent connectivity. Key features include the spacious 471 m² plot size, granted planning permission, breathtaking panoramic golf views, and a quiet location within an exclusive golf development. This is an ideal opportunity for investors or homeowners looking to create a luxury residence in one of Costa del Sol's most sought-after areas.
