The house is in need of some renovation but you will fall in love with the views, location, peace and tranquility that this home offers.

Currently there are 4 bedrooms and 4 bathrooms. There is a very spacious kitchen, dining area and lounge with an interior patio.

There are two good-sized storerooms separate from the villa that have electricity and a water supply that can be converted or used as an office.

There is also a separate laundry room.

Enough parking for 5 cars at the entrance to the house and a carport for two more cars.

This house has fantastic potential to renovate totally and add another floor on top which would offer incredible views or maintain the style and size as it is now.
