## Costa del Sol, Marbella

This is a very attractively situated apartment in Marbella located second line beach and from its elevated position it enjoys great views to the sea and lots of natural light. The apartment has been very well kept and ready to use, however it is in its original condition and some buyers may choose to modernise and decorate. What we really love about this property is the location situated walking distance to lots of restaurants and Marbella Port the perfect lock and leave base in Marbella.
