Spectacular Sea and Mountain Views From This Elegant Villa in Monte Mayor, Benahavís A Rare Gem of Serenity... The only property in the entire community to offer complete privacy, surrounded exclusively by protected green zones, this extraordinary villa presents a lifestyle of rare peace and timeless beauty. Located in one of the most private and green areas of Monte Mayor, this home is a true sanctuary of peace and quiet. Cradled by mountains and open to sweeping views across forested hills, deep valleys, and the Mediterranean Sea, every element of the villa is in perfect harmony with its surroundings. As you make your way up the long, private driveway, a sense of serenity begins to unfold. There's something magical in the approach, an anticipation that you're arriving somewhere truly special. The property itself is nestled within its own lush microparadise, surrounded by avocado, orange, lime, lemon, grapefruit, fig, papaya, and almond trees, your own Mediterranean orchard, rich with scent, color, and life. The architecture blends timeless design with refined elegance. Inside, expansive living spaces are bathed in natural light, opening seamlessly to the outdoors. The villa features four en-suite bedrooms, each one a private haven of comfort and calm, and an additional guest bedroom, perfect for hosting friends or family in style. Whether you're sipping morning coffee on the terrace or relaxing in the garden, the vistas are nothing short of breathtaking. You can see all the way to the ocean, on clear days, even the boats drifting along the horizon. To your left, the historic Monte Mayor castle crowns the view with a romantic and timeless presence. From the bedrooms, the connection to nature becomes intimate and alive. It's not uncommon to see deer and young bambis moving gently through their natural habitat, right outside your window. Afternoons invite a refreshing dip in the saltwater infinity pool, immersed in silence and serenity, while evenings are reserved for golden sunsets and quiet reflection under a sky full of stars. This is a place to breathe deeply, to slow down, and to reconnect with yourself, your loved ones, and the land that surrounds you. Whether hosting guests, enjoying time with family, or simply retreating into nature, this villa offers more than just a home, it offers a rare and restorative way of life. There is simply no other property like it in Monte Mayor. This is not just a villa, it is a one-of-a-kind refuge, crafted for those who value space, silence, and the profound luxury of true privacy.
