There are 3 floors in the property, but you enter on the 1st floor through the main entrance from either the back of the villa or the stairs all the way down from the driveway in front of the house. You enter a bright and inviting entrance, where you then enter the south-facing living room. The living room is large and simple, with good furnishing options. There is a balcony on the whole one side of the house on the first floor, where glass curtains have been used. There is an option to open it completely to be able to enjoy the warm sun. To the left of the living room, you will find the bright kitchen, which offers the popular kitchen island. This includes a dining room, where you again have a view of the Mediterranean Sea. There are 2 storage rooms on the 1st floor, one of which functions as a laundry room.
