Discover the epitome of luxury living on the iconic Golden Mile of Marbella—an address synonymous with elegance, exclusivity, and the lifestyle of the rich and famous. Perfectly positioned within walking distance to the vibrant Boho Club, the world-renowned Puente Romano and Marbella Club resorts, and just moments from Puerto Banús for designer shopping at boutiques like Gucci, Louis Vuitton, and Tom Ford. Families will love the easy access to top international schools including Swans, Aloha College, and Laude, with world-class golf in nearby Nueva Andalucía and the sandy beach right at the end of the road.

This beautifully presented semi-detached house offers spacious, flexible living across four levels:

Entry Level: Step into a bright, welcoming living space that seamlessly flows into a modern kitchen and a covered terrace—perfect for year-round dining and entertaining. The terrace opens onto a private garden, lushly bordered by bamboo and grass, with a gate leading directly to the communal swimming pool. A contemporary shower room completes this level for ultimate convenience.

First Floor: Upstairs, you’ll find three generously sized bedrooms, including a master with en suite bathroom, plus an additional family bathroom. Each room is thoughtfully designed for comfort and privacy, ideal for families or guests.

Solarium:

The top floor boasts a spacious solarium—your private retreat for sunbathing or relaxing outdoors—with a dedicated laundry room and ample storage.

Basement: The lower level features a versatile bedroom (without natural light), and a vast open area perfect as a cinema room, children’s playroom, or staff accommodation. This space also includes a large storeroom for all your needs.

Parking: Enjoy the convenience of an underground garage with secure parking for two cars behind a private garage door.
