The property is situated on the 5th floor of a well-maintained building and spans two levels. The upper level includes a spacious master suite with an en-suite bathroom and plenty of wardrobes. A generous multipurpose room on this level can serve as a fourth bedroom, home office, gym, or secondary lounge — making the layout flexible and practical for modern family living. Additional features include a large underground parking space with direct lift access, as well as access to a communal garden and swimming pool within the complex.
