Location and Surroundings Aranya Selwo is located on the New Golden Mile, between Estepona and San Pedro de Alcántara – a prime location that perfectly combines tranquility, nature, and accessibility. The complex is within walking distance of the Selwo Aventura wildlife park, ideal for families and nature lovers. Thanks to a hands-on president, his team, and a dedicated gardener, the grounds have been transformed into a true Mediterranean oasis of peace and enjoyment, with typical Andalusian touches such as olive trees, fragrant citrus trees, and beautiful jacarandas, grapevines, figs, mango, and pomegranate trees. Complemented by a sea of flowers including Lantana (bandera española), Tulbaghia, Plumbago, Strelitzia (bird of paradise), Hibiscus, and Bougainvillea, this stunning garden invites you to dream under the Spanish sun. The area is particularly family-friendly: via an underground passage, you don't need to cross the busy A-7 road to reach the coastal promenade, which stretches for kilometers all the way to Marbella and Manilva – perfect for long seaside walks or bike rides. Next to the entrance of the complex's parking area, there is also a separate pedestrian walkway, adding an extra layer of safety. Within walking distance, you'll find a small supermarket (with fresh bread daily) and one of the last authentic Spanish tapas bars – Bar Carrero, a charming local favorite just around the corner. With excellent access to the A-7 and AP-7 motorways, you are quickly connected to Marbella, Málaga, and Gibraltar.

A stylish long-term rental with 2 bedrooms, where light, elegance, and quality of life come together – ideal for those who wish to enjoy the sun, tranquility, and authentic charm of the Costa del Sol all year round. Welcome to Aranya Selwo Estepona – where every day feels like a new beginning.
