On the first floor, there are two other bedrooms with en-suite bathrooms. One of these bedrooms also has a walk-in wardrobe. The rest of the bedrooms have fitted wardrobes. The rooms' ample size and comfort guarantee a serene and restful night's sleep. Imagine beginning each morning with a stunning view of the surroundings. This property has all the amenities needed for a comfortable lifestyle — a beautiful location for entertaining visitors or spending time with family is created by the open living and dining areas. The home has accessible parking for two cars and a private pool for cooling off on warm days. The outside of the house will be painted completely white in 2025. Cerros del Águila is an area in Mijas Costa, a 10-minute drive from the beach. The urbanisation is quiet, with Spanish residents and newcomers of other nationalities. The area has a small supermarket, restaurants, and a large common area consisting of a playground, tennis court, and a swimming pool with a children's pool. The tennis court and playground are available all year round. According to the plan, a larger park called Gran Parque de Mijas will be built in 2023. It is going to be the biggest park in Málaga province.
