With every essential service at your doorstep, including schools, supermarkets, bakeries, pharmacies, and fine jewelry stores, this home offers an unbeatable combination of convenience and authentic Andalusian lifestyle.

With a total built area of 260 m² (including terraces) and 150 m² of interior space, this penthouse stands out for its spacious layout, abundant natural light, and refined style. The property has been designed for both comfort and elegance, featuring three bedrooms. The master bedroom, with an en-suite bathroom and fitted wardrobes, offers an intimate and serene retreat. The second bedroom, also with its own en-suite, is perfect for family or guests, while the third bedroom — located on the upper terrace — is a versatile space that can serve as an office, entertainment room, gym, or library, offering both independence and privacy.

The bright and spacious living room, with large windows that flood the space with natural light, opens onto two magnificent terraces with panoramic views of Marbella's Old Town, the surrounding mountains, and nearby historic landmarks. Additional features include a guest toilet, air conditioning with an AirZone climate control system (hot and cold), built-in wardrobes in bedrooms and hallways, and premium-quality finishes throughout.

The penthouse is tastefully furnished and decorated in a contemporary style, emphasizing comfort, elegance, and practicality. However, the property can also be rented unfurnished upon request.
