Costa del Sol, Elviria

This brand-new residential complex is located on Elviria Beach, one of Marbella's most exclusive and sought-after areas – just a 10-minute drive from Marbella town centre and approximately 30 minutes from Málaga International Airport.

Elviria is well known for offering one of the best beaches on the Costa del Sol, along with an excellent selection of restaurants, entertainment and top-quality golf courses nearby, including Santa Maria, Santa Clara, Rio Real and Marbella Golf, among others.

The developer has recently completed Estrella del Mar, a modern beachfront complex set just a short walk from a stunning sandy beach. Designed in a contemporary style and built with high-end materials and the latest construction technologies, the development features carefully planned communal areas that provide both privacy and a sense of open space.

We are pleased to present an exclusive apartment in this new development – a brand-new property, possibly one of the best units in the complex, located on a middle floor.
