Just a 10-minute walk from beautiful sandy beaches and the seaside promenade, the area offers an excellent quality of life with beach bars, restaurants, parks, shops, and a lively leisure scene, all with easy access to the A7 motorway and complete silence thanks to its discreet position within the urbanization. From here, there is also access to a second south-facing terrace with views over the garden and the sea, further enhancing the strong connection with the natural surroundings. The home stands out for its rustic style, natural charm, and unique character, having been designed by the legendary architect Aubrey David. It offers great potential to be updated and personalized according to the taste of the new owner. Exterior parking is located right next to the entrance of the house, adding everyday convenience. The property is set within a well-maintained and very quiet urbanization, ideal for those seeking serenity and quality of life, with communal areas such as a swimming pool and a residential environment designed for relaxation, all just minutes from the beach and local services while remaining completely free from noise.
