The main house retains its traditional character and is divided into two independent areas. The main area features eight bedrooms with abundant natural light, spacious common areas, a living room with a fireplace, and a fully equipped kitchen. The second area, with independent access, includes three additional bedrooms, ideal for guests or tourist rentals.

Outside, the property offers a barbecue area, swimming pool, and ample spaces for gatherings and events. Additionally, it has an additional building of 100 m<sup>2</sup>, currently used as a storage room, with the possibility of transformation into a residence, office, or workshop.

One of the great attractions of the estate is its complete equestrian infrastructure, which includes 12 horse stalls, a barn, a washing area, and a circular training track, making it ideal for both private use and professional activity.

As an added value, the estate has a buildable plot with a license, in a privileged location at the top of the mountain, offering stunning views of the Mediterranean Sea.
