This, together with the high-quality finishes, makes this a villa full of comfort that offers everything you could wish for. Enter the villa through an impressive wooden door and walk through the front garden with fountain to the main entrance. The spacious hall with chandelier and high ceiling immediately offers a breathtaking view of the sea. The bright living room, with partly open kitchen with luxury Siemens appliances and cooking island, has a full-length terrace for optimal light and sea views. Also on the ground floor is a separate toilet and a spacious bedroom with walk-in dressing room and en suite bathroom. There is an elevator for easy access to all floors, but of course you can also reach both the basement and the upper floor via the stairs. On the upper floor there are 2 spacious bedrooms, both with a bathroom en suite. Again, there is a beautiful sea view and both bedrooms give access to a large roof terrace. There is also a separate office space on this floor. The basement should certainly not be forgotten and we will explain to you why! In this bar you have your own party location at home! The bar is equipped with a professional beer tap, refrigerators, stained glass windows and a billiards table. Next to this room is the heated indoor swimming pool which is equipped with showers and toilet. The indoor pool has an automatic dehumidifier. In the water installation there is a water descaler for the complete supply of all the water in all rooms. Both the basement and the ground floor give access to the garden of 375m². This has also recently been redesigned, including fruit trees and a sprinkler system. The beautiful salt water swimming pool, with separate shower, has also been completely re-tiled and in the evening the lighting in both the pool and the fountain creates a beautiful atmosphere.
