It is important to highlight that this property is specifically designed to be EXPLOITED BY HOTEL EL PUERTO, which means that YOU WILL NOT BE ABLE TO USE IT AS A PRIVATE RESIDENCE. However, this also has its advantages: the hotel takes care of the complete management of the property, including administration, maintenance, and all associated costs such as electricity, water, and community fees. This allows you to enjoy an investment without the complications that often come with being a property owner. The studio has a built area of 20 square meters, making it ideal for tourists looking for a comfortable and well-located getaway. Additionally, it features a private bathroom and centralized air conditioning, ensuring that guests have a pleasant experience during their stay. The views of the sea and the mountains are a great attraction, which can increase demand and, therefore, the profitability of your investment.
