## Costa del Sol, Estepona

Exclusive Top-Floor Corner Apartment in Las Mesas, Estepona  
4 Bedrooms | 3 Bathrooms | 120 m<sup>2</sup> Terrace | Panoramic Views to Gibraltar & Africa

A rare opportunity to acquire one of the best positioned apartments in the sought-after Las Mesas area of Estepona. This top-floor corner residence enjoys exceptional privacy, abundant natural light, and breathtaking panoramic views over the Mediterranean Sea towards Gibraltar and the African coastline.

Completed in 2021 and owned by only one owner since new, the property is presented in immaculate condition. It is sold fully furnished with high-quality furniture purchased in Norway, including an elegant Italian high-end outdoor sofa group on the terrace, creating a sophisticated and comfortable outdoor living environment.

The property is ideal as a permanent residence, exclusive holiday home, or high-return investment, with the possibility to obtain a tourist rental licence.

### Architect-Approved Plunge Pool – A Rare Added Value

A significant added value to this property is that an independent architect has already reviewed the technical possibilities and confirmed approval for the installation of a plunge pool on the terrace.

This means a future owner can move forward with confidence, knowing that the structural feasibility has been professionally assessed. The approval confirms that a properly engineered lightweight plunge pool solution can be integrated, subject to final project specifications and execution.

Having this groundwork completed represents both time saved and reduced uncertainty – a major advantage compared to starting such a process from scratch.

The possibility of adding a private plunge pool further enhances the lifestyle appeal, exclusivity, and long-term value of this exceptional property.
