The attractive, wide hallway leads to the family bathroom and the 3 double bedrooms. There is more than sufficient built-in wardrobe space and the master bedroom has a full ensuite shower-room. Both the bathrooms are newly-fitted throughout with new wall tiling. The whole floor of the house is also newly tiled in “Travertine” porcelain.

Returning to the covered terrace and you will find a separate utility and storeroom with a new Samsung washing machine. The established garden is landscaped and mature and there is a pleasant lawn area for happy family gatherings. There are lovely mountain and countryside views.

The construction is fully legal and registered in both the Catastro and Registro de propiedades, which are the 2 land registries in Spain.
