In excellent condition and tastefully decorated with a spacious living room with brick fireplace, leading out through doors to a beautifully spacious south east-facing terrace. Upstairs, there are 2 double bedrooms - both have charming high vaulted ceilings and inbuilt wardrobes. The Master bedroom is ample with a lovely sun terrace with stunning panoramic views of the sea and mountains. Stunning home with superb sunny terraces, so much charm & yet modern where it matters. A real must see! Mijas Pueblo or known locally as the white village sits in the foothills of the Mijas Mountains some 428m above sea level. The village provides some of the most stunning and breath-taking views of the surrounding areas down to the coast, inland and the rugged rocky landscape. The village is not only very popular with tourists visiting for the day or vacationing in the village but with local residents from nearby towns and villages. The attraction of Mijas Pueblo is the authenticity the village provides of the Spanish way of life from the cobbled streets, white washed walls and array of artisan shops and boutiques to the many traditional festivals celebrated from the main plaza (square) sat centrally in the village.
