The property is completely renovated but retaining original finishes that give it a unique design and style. This farm has a main house, which preserves elements of the original Arab mill. with living room, a dining room, kitchen and cinema room. On the second floor there is a second living room, a master bedroom with an en-suite bathroom and a dressing room, and a second bedroom also with an en-suite bathroom. The guest house has 1 bedroom and 1 bathroom en suite, a workshop for art pieces and a tool room, with the possibility of becoming a second room, with a total of 5 perfectly distributed fireplaces, climalit windows, and unlimited parking. The water supply system is currently by a well that widely covers both the needs of the houses and the automatic irrigation of the agricultural and garden area, but it has the possibility of connecting to the mains water system.
