Located a mere five-minute stroll from the renowned Puente Romano, this gem of a home offers 676 m2 of unique living space with stunning vine covered walkways and patios sheltering chic guest bedrooms all decorated in a classical and elegant traditional style, each with its own entrance and en-suite facilities. The main house offers a lovely spacious blue and white classical kitchen, as well as a generous dining area and lounge from where you can access the first of many patios. From here you can watch the sunset in style from a blend of covered and open relaxation areas for those seeking shade from the summer sun. Alternatively, enjoy the cooler evenings in front of a log fire in the spacious family room with an impressive vaulted ceiling. From here double doors lead you to a charming walled patio, featuring a private pool and lounging area. On the first floor the wide staircase leads you to the spacious master suite and dressing room, boasting captivating views and access to an additional terrace with solarium. One additional bedroom can also be found on the first floor, all maintaining the beautiful English style that permeates throughout the property.
