Both, the private garden and the private swimming pool, are maintained by the community all year round so its upkeep is trouble free. The property has 2 underground parking spaces and a storage room. High-quality finishes and design, with underfloor heating in the bathrooms, hot and cold A/C, domotic system and video intercom are some of the characteristics of this luxurious property. Marble and solid wood flooring, alarm system, electric blinds and security door. The exclusive gated development offers owners numerous on-site facilities which include 24-hour security, a fully equipped gymnasium, spa, an ornamental pond with Thai-style seating area and two communal swimming pool areas as well as beautiful tropical gardens.
